

WELLINGTON
COLLEGE

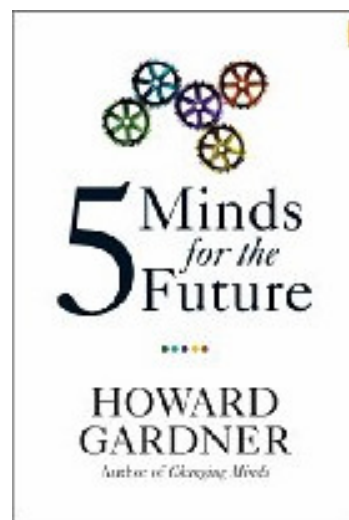

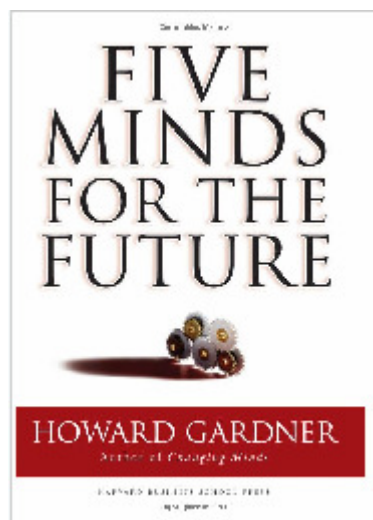

PROFESSOR HOWARD GARDNER

Thursday 11th March 2010 20:00 – 21:00

Evening Lecture: 5 Minds – How to Function Successfully in the 21st Century

Eminent psychologist Howard Gardner's theory on multiple intelligences has set the agenda in the psychology and educational theory communities for twenty five years. Now Gardner discusses the five cognitive abilities (the disciplined mind, the synthesizing mind, the creating mind, the respectful mind and the ethical mind) which equip a person to deal with what is expected in the future, as well as what cannot be anticipated. Five Minds for the Future inspires lifelong learning and provides valuable insights for developing leaders - today and tomorrow, skills that will be sought and cultivated by leaders in the years ahead.

- Speaker: Howard Gardner, Hobbs Professor of Cognition and Education, Harvard Graduate School of Education
- Date: Thursday 11 March 2010 8:00 - 9:00pm
- Time: 7:30 for 8pm start
- Venue: Wellington College, Crowthorne, Berks, RG45 7PU
- Cost: £20 per person (£10 for students)
- Bookings: download the booking form or contact Reception on 01344 444000
- Purchase - 5 Minds for the Future
