What these terms and conditions cover. These are the terms and conditions on which we provide educational services.

In our Contract with you, we sometimes provide illustrative examples to try and provide you with a better understanding of what we are referring to. We do this by using the words “**for example**”, “**includes**” or “**including**”. When we do use these words, it means that the examples that are given are not exclusive or limiting examples of the matter in question.

We also use headings to introduce separate provisions. These headings are for ease of understanding only.

A reference to these terms and conditions, our Contract, any agreement, contract, document, form or notice is a reference to these terms and conditions, our Contract, that agreement, contract, document, form or notice as may be amended from time to time.

- (b) *Our contract with you.* The **Registration Form**, the **Offer Letter**, the **Acceptance Form**, the **Schedule of Fees**, the **FIA Terms and Conditions**, any **Confirmation Form**, the **Joining Papers**, these **terms and conditions** and any conditions of any award, bursary or scholarship (as in each case may be varied from time to time) form the terms of an agreement (the “**Contract**”) between you and the College. For the avoidance of doubt, none of the College’s prospectus, the website nor the College Rules and policies form part of the Contract.
- (c) *Rights of third parties:* It is not intended that the terms of the Contract shall be enforceable by your child or by any other third party.

2. Acceptance and Deposit

- (a) *How you accept our offer of a place.* An offer of a place for your child at the College is accepted by your submitting the completed Acceptance Form and paying the Deposit and Administration Fee. At this point, the Contract becomes legally binding between the College and the Parents.
- (b) *The Administration Fee.* The Administration Fee is not refundable in any circumstances. The Administration Fee is separate from the Deposit.

- (c) The Deposit. The Acceptance Deposit and Overseas Deposit are only refundable in the circumstances set out in this Contract.
- (d) How we use the Deposit. The Deposit will form part of the general funds of the College until it is credited without interest to the final payment of the fees or other sums due to the College on your child's leaving.
- (e) Requirement for you to increase the Deposit amount. The College reserves the right to require payment of an additional deposit in the case of a child who transfers from a day boarder to a boarder and/or whose normal residence moves from being within the United Kingdom to being outside the United Kingdom. Such additional deposit forms part of the Deposit and shall be subject to the terms of paragraphs (c) and (d) above.
- (f) Direct debit mandate. Except where none of the Parents lives in the United Kingdom or has an account with a bank or building society with offices in the United Kingdom: (i) the child may not join the College until the Parents have returned to the College a duly completed direct debit mandate; and (ii) the Parents will sign and return a direct debit mandate promptly on the College's request.

PLEASE READ THIS NEXT SECTION CAREFULLY - *it deals with what you need to do if you wish to withdraw your acceptance of a place **before** your child joins the College and what happens if you withdraw at that stage.*

The cancellation of a place which has been accepted can cause losses to the College, especially if it occurs after other families have taken their decisions about their children's schooling. This is why we require the period of notice referred to in this section for a withdrawal, and why different consequences follow depending on whether we get that period of notice or not.

3. Withdrawing your Acceptance of a Place before your child enters the College

- (a) The period of notice we require. **If you wish to withdraw your acceptance of a place BEFORE your child enters the College, you must either give us written notice before the first day of the term immediately preceding the term in which your child was due to start or pay to the College a term's fees in lieu of notice.** This means that if, for example, your child is due to start at the College in September (i.e., at the start of an academic year) then you would need to tell us in writing that you wish to withdraw your acceptance of their place on or before the last day of the preceding Easter holidays (i.e., before the final term of the preceding academic year). This applies even if your child is offered a place in the term immediately prior to the term of entry.
- (b) If we receive more than 20 months' notice. If you provide that notice more than 20 months before your child is due to start at the College, we will return the Acceptance Deposit to you and no further fees will be payable. This means if, for example, your child is due to start at the College in September, then you would need to tell us in writing that you wish to withdraw your acceptance of their place on or before the 31st December falling two calendar years before the calendar date on which they are due to start.
- (c) If we receive more than a term's but less than 20 months' notice. **If you provide notice on or before the date set out in paragraph (a) above but less than 20 months before your child is due to start at the College, you will lose the Acceptance Deposit, but no further fees will be payable.**
- (d) If we do not receive a term's notice. **If you do not provide us with a term's notice (or if no notice is provided at all) a term's fees will be payable by you and will become due and owing to the College upon demand as a debt. The term's fees will be charged at the rate applicable for the term when your child was due to start. The College will credit to you the Deposit you have paid (without interest) to the payment of the term's fees you will owe us.**

4. Fees, Supplemental Charges and Payment

- (a) What the fees include. The fees include all the costs incurred in the usual course of the education by the College of your child, including the provision of any necessary educational materials, unless otherwise notified to you by the College at any time (either in the Schedule of Fees or otherwise).
- (b) What the fees do not include: supplemental charges. We refer to any items or services charged to you in addition to the fees as **supplemental charges**. By way of example, uniform, optional school fees insurance, optional health insurance, expenses incurred by the College in helping the child to apply for a visa to study in the United Kingdom, all public examination fees and certain supplemental tuition such as individual music lessons are supplemental to items met by the fees and constitute supplemental charges. The cost of trips, visits and certain co-curricular activities also constitute supplemental charges. Your consent will be obtained in advance if the cost per pupil will exceed £50 and/or involves an overnight stay or going abroad. The College may also charge you for any damage intentionally caused by your child (whether alone or with others) to College property or the property of any other person (fair wear and tear excepted).
- (c) Applicable taxes. All of the fees and supplemental charges are exclusive of any taxes which will be added (where applicable).

PLEASE READ THIS NEXT SECTION CAREFULLY - it deals with your responsibility to pay the fees and supplemental charges.

- (d) Who is responsible for payment. Each of you who has signed the Acceptance Form is liable for and must ensure that all of the fees and supplemental charges due are paid to the College. This is because our Contract applies to you together with each other person who has signed the Acceptance Form and each of you on your own. Each of you remains liable to the College for all of the fees and supplemental charges due UNLESS AND UNTIL the College has expressly agreed in writing with each of you to look exclusively to any other person for payment of the fees and/or any supplemental charges. Each person who signs the Acceptance Form has an individual responsibility to ensure that, between them, the fees and supplemental charges owing to the College are paid. In practice this means that if fees or supplemental charges have not been paid to the College then in order to recover the outstanding payments, the College can seek payment of the full amount outstanding from either parent. The only exceptions to this are in paragraph (f) below. Court orders (for example, where parents are separated or divorced) and other arrangements between parents and/or third parties do not normally bind or apply to the College and do not extinguish either parent's liability for the fees and supplemental charges due under this contract.
- (e) Payment of fees by a third party. An agreement with a third party (for example, an employer, stepparent without parental responsibility or grandparent) to pay the fees or any supplemental charges does not affect your liability under the Contract (including in respect of the payment of fees or any supplemental charges in the case of default by such third party). The College reserves the right to refuse to accept payment from a third party.
- (f) How can one person remove him/herself from their payment responsibility. A person who has signed the Acceptance Form may withdraw from the Contract with the College by submitting a term's notice, but that person must obtain the prior written consent of both the College and the other person who has signed the Acceptance Form before such notice is effective.
- (g) How financial awards are treated. If your child has been awarded a financial award, your responsibility will be to pay for the amount of fees due after taking account of that award. An award may be withdrawn in accordance with (or by reference to) the terms and conditions upon which such award is made and/or if, in the opinion of the Master, your child's attendance, progress and/or behaviour no longer merit the continuation of the award. Any such withdrawal

of an award will not operate so as to increase the fees due in respect of a term which has already commenced. Where it appears likely to the Master that an award may be withdrawn from your child, you will be notified in advance. If, within 14 days following the withdrawal of an award, your child is withdrawn from the College, no fees in lieu of notice will be payable by you. This will give you enough time to decide whether you want to continue to educate your child at the College.

- (h) How the fees are charged and payment requirements. **The annual fees are divided into three equal parts and charged separately on a termly basis, regardless of the length of any term and regardless of your child's year group. Each term's fees fall due for payment by you on the first day of that term.** Each term's fees will be included in an invoice sent to you (or such other person(s) the College may have agreed separately shall pay the fees under Clause 4(e) above). The fees must be paid in full together with any applicable taxes by direct bank transfer or direct debit on or before the first day of the term to which the invoice relates. The College may agree that the fees that are or will fall due in relation to any term can be paid in instalments. If we agree to do this, then the College and those responsible for paying those fees will agree separately in writing the anticipated schedule of instalments by which the deferred amount of each term's invoice is to be paid. The agreed amount for each term will need to be paid by direct debit in not more than 3 instalments within a period that does not exceed 3 months (beginning with the date of the relevant invoice). The College will issue a separate invoice and schedule of instalments relating to the fees due in respect of each term, which will be evidence of the separate agreement for the payment of that term's fees. We may not allow your child to attend the College if you do not pay on time.
- (i) Payment of supplemental charges. All supplemental charges for each term (and for other unpaid supplemental charges that were agreed during the previous term) will be included in the fees invoice. **All such supplemental charges must be paid in full together with any applicable taxes by direct bank transfer or by direct debit collection on or before the first day of the term to which the invoice relates.** If an item on an invoice has been queried, the balance of the invoice must be paid in accordance with the Contract.

PLEASE READ THIS NEXT SECTION CAREFULLY - it sets out what rights we have, and what action we may take, if fees and/or supplemental charges are not paid in accordance with the Contract.

- (j) Non-payment of fees. Whilst any fees are outstanding or if there is a persistent failure by you to pay the fees on time, we may refuse to allow your child to attend the College, withhold any references or property or, if applicable, withdraw sponsorship of your child's Tier 4/Child Student visa. This applies in addition to our right to terminate this contract under Clause 14.
- (k) Non-payment of supplemental charges. Whilst any supplemental charges are outstanding, we may refuse to allow your child to benefit from the service to which the supplemental charge relates (for example, to sit a public examination, to participate in a co-curricular activity or receive the relevant service). If supplemental charges in respect of a charged for activity remain unpaid 28 days after the due date of payment, such non-payment will be deemed to be a withdrawal of the child from that activity and a term's fees in lieu of notice for that activity will be payable in accordance with the Contract.
- (l) We can charge interest if you pay late. If you do not make any payment to the College by the due date for payment, we may charge interest to you on the overdue amount at the rate of 1.5 per cent per month. Unless we tell you otherwise in writing, this interest will accrue on a daily basis from the due date until the date of actual payment of the overdue amount, whether before or after we obtain a court judgment against you. **You must pay the College the interest together with the overdue amount.**
- (m) We can recover our costs for recovering late or non-payments. You will be responsible for paying the costs, fees, disbursements and charges we incur in recovering, or attempting to recover, any unpaid fees

or supplemental charges from you (including reasonable legal fees and costs reasonably incurred by the College in the recovery of any unpaid fees or supplemental charges regardless of the value of the College's claim).

- (n) Part payment. If you pay any sum that is less than the sum due and owing, the College may accept it on account only. We may charge interest and late payment charges in accordance with paragraphs (iii) and (iv) above in respect of the outstanding balance.
- (o) Appropriation. The College shall allocate payments made to the earliest balance on the child's account. You agree that a payment made in respect of one child may be appropriated by the College to the unpaid account of any other child of the Parents.
- (p) We can notify other educational institutions of your outstanding payments. **We may inform any other school or educational establishment to which you propose to send your child of any outstanding fees or supplemental charges.**

PLEASE READ THIS NEXT SECTION CAREFULLY - it sets our right to increase the fees during the course of your child's time at the College.

- (q) Our ability to increase the fees. **We will review our fees during the course of your child's education and may increase them. Not later than the final day of the term before the increase is to take effect, we will notify you of the increased fees which will take effect from the start of the immediately following academic year (the "annual fee increase"). If a new increase takes effect from any other time during the academic year OR the increase exceeds RPI plus 5%, we will either:**
 - (i) Give you notice of an increase to the fees before the end of the penultimate term before the increase is to take effect, giving you the time to consider the increase and, if you wish to withdraw your child from the College before the proposed increase is set to take effect, to provide the required term's notice of withdrawal to the College under Clause 5(a) below; or
 - (ii) if we give you notice later than the last day of the penultimate term before the increase is to take effect, permit you to withdraw your child from the start of the immediately following term PROVIDED THAT you give the College notice in writing of the withdrawal within twenty-one (21) days from the date when notice of the increase in fees is given. If you provide this notice you will not need to give a term's notice or pay fees in lieu of notice and will be able to withdraw your child without being responsible for fees for the next term. The College will credit to you the Deposit you have paid (without interest) less any sums owing to the College.
- (r) Fees and supplemental charges will not be reduced due to your child's absence. Unless there is a legal liability (including liability under a court order or under the provisions of the Contract), fees and any agreed supplemental charges will not be refunded, reduced or waived as a result of absence due to illness or otherwise, or a term is shortened, or a holiday extended, or if a child is released home before, during or after public examinations or otherwise before the normal end of term, or your child is required to study from home as a result of us providing educational services remotely or the College is temporarily closed due to adverse weather conditions, or for any other reason.
- (s) How fees are discharged under our 'Fees In Advance' scheme, and your continued responsibility to pay any out-standing or additional amounts still owed to the College. Where you and the College have entered into an agreement incorporating the FIA Terms and Conditions (i.e., where you have made a 'lump sum' capital payment in respect of all or part of the fees due under the Contract) the College will administer such capital sum to meet the fees pursuant to the FIA Terms and Conditions PROVIDED THAT you meet the difference between the amount per term applied by the College under the FIA Terms and Conditions and the total fees and supplemental charges due in respect of your

child each term under the Contract. For the avoidance of doubt, the College will provide a termly statement of account in respect of the fees and supplemental charges and the difference will be payable in accordance with the terms of the Contract..

- (t) Information on your identity and the source of funds. From time to time we may ask you to provide us with sufficient information so that we can properly and accurately verify to our satisfaction:
- (i) your identity;
 - (ii) your child's identity;
 - (iii) that you are not subject to, or within the purview of, any national or international financial, economic, trade, travel or other similar sanctions imposed by any competent authority;
 - (iv) your child's right to enter, live and study in the United Kingdom; and
 - (v) the legitimate source of funds you are using to pay the fees.

You must provide the College with the information and documentation that we ask for.

- (u) We may carry out due diligence checks on Parents. The College reserves the right to carry out due diligence checks on Parents and you consent to us carrying out such checks. Due diligence checks which may be carried out by the College include (i) enquiring of previous schools attended by your child or any other child of one or both of you whether you adhered to the terms of any contract in place with that school, the circumstances relating to your child's departure; (ii) anti-money laundering checks; and (iii) checks against any sanctions or terrorist financing lists.
- (v) How fees are discharged under our "Fees in Advance" scheme and your continued responsibility to pay any outstanding or additional amounts still owed to the College. Where you and the College have entered into an agreement incorporating the FIA Terms and Conditions (i.e. where you have made a "lump sum" capital payment in respect of all or part of the fees due under this Contract), the College will administer that lump sum to meeting the fees pursuant to the FIA Terms and Conditions but you will still need to meet the differences (if any) between the amount per term applied by the College under the FIA Terms and Conditions and the total fees and supplemental charges due in respect of your child each term under this Contract. The College will provide a termly statement of account in respect of the fees and supplemental charges and the difference will be payable in accordance with the terms of this Contract.

PLEASE READ THIS NEXT SECTION CAREFULLY - it sets out what period of notice we require from you if you wish to withdraw your child from the College, change the nature of your child's place at the College, or remove your child from participating in an activity for which there is a supplemental charge.

Due to the termly organisation and allocation of resources we will charge you if you do not provide us with the required period of notice. In such circumstances we require you to pay us fees in lieu of notice which is a sum equivalent to the fees and/or supplemental charges you would have paid had the required period of notice been given.

5. Notice Requirements

- (a) Notice to withdraw your child from the College. **If you wish to withdraw your child from the College (other than at the end of the Upper Sixth Form), you must either give us a term's notice to that effect or pay to the College a term's fees in lieu of notice, at the rate that would have been charged for the final term of provision if a term's notice had been given.** This means that if, for example, you wish to withdraw your child with effect from the start of the autumn term (i.e., at the start of an academic year) then you would need to tell us in writing that you wish to withdraw your child on or before the last day of the preceding Easter holidays (i.e., before the final term of the preceding academic year) or pay the fees in lieu of notice referred to above.

- (b) Notice to change your child's place at the College. **If the Master agrees that your child's place at the College will change from a boarding to a day place and this agreement is reached less than a term before the change, the College reserves the right to charge you the difference between the boarding and the day fees in lieu of notice, at such rate as would have been charged for the final term of provision if a term's notice had been given.**
- (c) When the relevant amount in lieu of notice must be paid. Unless otherwise set out in this Contract, the appropriate sum of fees in lieu of notice will become payable by you upon demand as a debt.
- (d) Notice to withdraw your child from participating in an activity covered by a supplemental charge. If you wish to withdraw your child from an activity or service charged for as supplemental, you must either give a term's notice to that effect or a term's charges for the activity or service in which your child has ceased to participate will be immediately payable as a debt.
- (e) Withdrawal part-way through a term does not reduce the amount you owe to the College. **It is not possible for you to reduce the amount of fees or supplemental charges due, or to obtain a refund of fees or supplemental charges, by withdrawing your child or by your child's ceasing to participate in an activity or receive a service part-way through a term.**

6. College Rules

- (a) Compliance with the College Rules. It is a condition of remaining at the College that you and your child (in each case, to the extent applicable) comply with the College Rules. In addition, you must ensure that your child attends the College punctually and that your child conforms to any rules or policies about appearance, dress and behaviour as we may issue (if not already included within the College Rules).
- (b) Leaving College premises. The College will do all that is reasonable to ensure that your child remains on site during College hours, but we cannot prevent any child aged 16 years or over from leaving and nor can we accept responsibility for any child of any age if he/she leaves College premises in breach of the College Rules.
- (c) Religious observance and relationships and sex education (RSE) and health education. Religious observance, relationships and sex education (RSE) and health education at the College will be conducted in accordance with the College's policies which are in force from time to time.
- (d) We may undertake drug and alcohol testing of your child. **The College may undertake drug and/or alcohol testing of pupils in accordance with the College's drug and/or alcohol policy (as relevant).** These policies have been adopted for disciplinary purposes, and with the aim of safeguarding the health and safety of all pupils.
- (e) Monitoring your child's telephone, email and messaging communications, internet use, and use of social media. **The College may, subject to applicable data protection legislation, monitor your child's telephone, email and messaging communication, internet use (whether over the College's Wi-Fi network or through your child's data allowance), and use of social media.** We may do this for various reasons, including ensuring compliance with the College Rules or where it is appropriate or necessary for the College to do so in connection with the College's legal and/or other duties and responsibilities or other legitimate purposes or good practice requirements.

7. Suspension, Rustication, Expulsion and Required Removal

- (a) The Master's discretion to rusticate or expel your child from the College. The Master may in his or her discretion rusticate or, in serious or persistent cases, expel your child from the College if the Master considers that your child's conduct or behaviour (including behaviour or conduct outside school) is unsatisfactory and/or the rustication or expulsion is in the College's best interests and/or those of your child or other children.
- (b) The Master's discretion to suspend your child from the College. The Master may in his or her discretion suspend your child from the College whilst investigating a matter which may result in the rustication or expulsion of your child or another pupil.

- (c) Where you can find examples of offences punishable by rustication or expulsion. The College Rules set out examples of offences likely to be punishable by rustication or expulsion. These examples are not exhaustive, and the Master may decide that rustication or expulsion for a lesser offence is justified, for example where there has been previous misbehaviour, or the circumstances warrant it. All aspects of your child's record at the College may be taken into account.
- (d) The Master's discretion to require you to remove your child from the College. Instead of expulsion or rustication, the Master may in his or her discretion require you to remove your child from the College if the Master considers that:
- (i) **your** behaviour or conduct (or the behaviour or conduct of one of you): is unreasonable; and/ or adversely affects (or is likely to adversely affect) your child's or other children's progress at the College, or the wellbeing of the College's staff; and/or brings (or is likely to bring) the College into disrepute; and/or is not in accordance with the College's values or your obligations under the Contract; or
 - (ii) your child's attendance, progress or behaviour is unsatisfactory, and, in the reasonable opinion of the Master, the removal is in the College's best interests and/or those of your child or other children and/or members of the College's staff.
- (e) What happens if your child is rusticated, expelled or removed from the College.
- (i) Should the Master exercise his or her right under Clauses 7(a) or 7(d) above you will not be entitled to any refund or remission of fees or supplemental charges due (whether paid or payable) in or relating to the term in which your child is rusticated, expelled, or required to be removed. Save in the case of rustication, the Acceptance Deposit will be forfeited and retained by the College but the College will credit to you any Overseas Deposit you have paid (without interest) less any sums owing to the College.
 - (ii) If your child is expelled or you are required to remove your child from the College, fees in lieu of notice will **not** be payable and any fees and/or supplemental charges that have been prepaid for or relating to any term after the expulsion/required removal will be refunded. All arrears of fees and supplemental charges and any other sums due to the College will be payable.
- (f) Impact of expulsion or required removal on the Contract. Provided you have paid the College's final invoice, the Contract will terminate with immediate effect if your child is expelled or if you are required to remove your child from the College.
- (g) Your right to have decisions regarding expulsion or required removal reviewed. You are entitled to ask for a review of any decision taken by the College and/or Master under either Clauses 7(a) or 7(d) above. Any such review shall be governed by the final stage of the College's Complaints Procedure. Your child shall be suspended from the College pending the outcome of the review.
- (h) The Master's discretion to exclude you from the College premises. The Master may in his or her discretion exclude one or more of a child's Parents from the College premises. Any such exclusion of a Parent does not prejudice the College's other rights under this Contract.

8. The College's Obligations

- (a) The period of your child's schooling. Subject to terms of the Contract, the College will accept your child as a pupil of the College and register your child on the College's statutory register from the time of joining the College until the end of the Upper Sixth Form. However, the College shall not be obliged to permit your child to enter the Sixth Form unless satisfied that it is appropriate to do so having regard to his or her academic attainments and all other relevant circumstances. The College may decide as to whether your child may join the Sixth Form after the results of GCSE or equivalent examinations are known and may make entry to the Sixth Form conditional upon the results of such examinations. Notwithstanding any conditions on entry imposed by the College, if you wish to withdraw your child prior to entering the Sixth Form, the terms of Clause 5 above applies and you will either need to give us a term's written notice or pay us a term's fees in lieu of notice.

- (b) *The scope of our duty to exercise reasonable skill and care for your child's education and welfare.* While your child remains a pupil of the College, we will exercise reasonable skill and care in respect of his or her education and welfare. This obligation will apply during school hours and at other times when your child is permitted to be on College premises or is participating in activities organised by the College. **We cannot accept any responsibility for the welfare of your child while off the College premises unless he or she is taking part in a school activity or otherwise under the direct supervision of a member of College staff.** The College shall adhere to and comply with the *National Minimum Standards for Boarding Schools* (applicable from time to time) published under the Children Act 1989 (as amended or superseded).
- (c) *Our right to make changes at the College.* Our website and prospectus describe the broad principles on which the College is presently run. However, from time to time it may be necessary to make changes to any aspects of the College, including the curriculum, the manner of providing education for your child (including by providing such education remotely (whilst your child remains at home, for example, where the College is required to close the College premises) or our policies.

Although there will be circumstances when it is appropriate to seek parental consent, children's data protection and privacy rights are their own. The law considers that children of average maturity will, from the age of around 13, have sufficient awareness of their own privacy to make certain choices relating to their personal data themselves. Parents' views remain important but sometimes the law will require us to give more weight to the decision the child makes about his or her own privacy.

For most purposes, it will not in fact be necessary for us to obtain consent from you (or your child) for the use we make of personal data of your (or your child's) personal data. The law recognises this but also requires that, as far as possible, we set out clearly what these uses will be. Please also see our Privacy Notice.

II. How we may use Personal Information: References, Confidentiality and Data Protection

- (a) References for your child. We may supply information and a reference in respect of your child to any educational institution which you propose your child may attend or, where applicable to any prospective employer. Any reference supplied by us (or received by us) will be confidential. We will take care to ensure that all information that is supplied by us relating to your child is accurate and any opinion given on his/her ability, aptitude for certain courses and character is fair. However, we cannot be responsible for any loss you or your child is alleged to have suffered resulting from opinions reasonably given, or correct statements of fact contained, in any reference or report given by us.
- (b) We will need to use information relating to your child, and to you, for certain purposes connected with the running of the College. This will include name, contact details, school records, photographs and audio-visual recordings, both whilst your child is at the College and after he or she has left, for the purposes of:
- (i) managing relationships between the College and current pupils/parents and fulfilling our obligations to you, including educational and examination purposes, safeguarding, statutory reporting, health and safety, complaints, administration, and processing of fees; and;
 - (ii) promoting the College to prospective pupils/parents;
 - (iii) publicising the College's activities; and
 - (iv) communicating with the Wellington community and the body of former pupils.
- In respect of paragraphs (ii), (iii) and (iv), this includes use of such information by the College in/ on the College's prospectus (in whatever format or medium it is produced/made available), the College's website(s) and (where appropriate) the College's social media channels.
- (c) You are required to update us of changes to information held, or in circumstances relating to, you and/or your child. You must:
- (i) confirm (or update, if necessary), when requested, such information (and/or documentation) about you and/or your child that is held by the College; and
 - (ii) inform the College of any change to you or your child's circumstances (including, where applicable, in connection with your child's entitlement to enter, reside and/or study in the United Kingdom), or to information about you or your child that has previously been notified to the College, including relevant contact details.
- (d) As a Child Student sponsor school, we need your consent to us providing certain information to the Home Office. In order to comply with our responsibilities as a licensed Child Student Sponsor for immigration purposes, we may need to provide information relating to you and/or your child's right to enter, reside and/or study in the United Kingdom to the Home Office (and to

do so whether we actually sponsor your child or not). Such information may include information about your child's immigration status, attendance records, and any changes in you or your child's circumstances (including where your child is expelled, required to be removed or this contract is terminated).

- (e) We will send information (e.g., school reports) about your child to both of you as a matter of course. Any person who has parental responsibility for your child is entitled to receive certain core information from the College about your child's progress and attainment). The College will therefore disclose such information as a matter of routine to each such persons UNLESS the College is restricted from doing so by a court order (or similar direction) or by any other legal requirement or obligation (for example, under data protection laws).
- (g) Data Protection Laws. The College will process personal data about you and your child in accordance with data protection law, including the UK General Data Protection Regulation and the Data Protection Act 2018 (each as may be amended or superseded) and other related legislation. We will process such personal data:

The College will acknowledge and allow to be acknowledged the child's role in the creation of such intellectual property. The College shall recognise any other intellectual property rights otherwise created, generated or owned by or vested in your child.
- (b) Returning work. Other than as set out in paragraph (a) above, work will be returned to the pupil when it is no longer required for purposes of assessment or display. You consent for yourselves and, so far as you are entitled to do so, on behalf of your child, to our retaining such work on College premises until, in our professional judgment, it is appropriate to release the work to your child. We will take reasonable care to preserve your child's work undamaged but cannot accept liability for loss or damage caused to this or any other property of your child by factors outside the direct control of the Master or staff.

14. Ending the Contract

- (a) Our rights to end the Contract. In addition to where our Contract is terminated automatically as a result of an expulsion or required removal, the College may end the Contract at any time by notice in writing to you, without any obligation to return any deposit or fees to you, if:

Without prejudice to any other rights the College may have under this Contract, if the College terminates the contract in accordance with this paragraph (a) and such termination takes place with immediate effect, you will be obliged to pay fees in lieu of notice in respect of your child. The College is not obliged to return the Acceptance Deposit or any fees paid.

Provided that the College has acted reasonably and prudently to prevent and/or minimise the effect of the event, the College will not be responsible for not performing those of our obligations which are prevented or delayed by, and during the continuance of, the event. To the extent reasonably practicable in the circumstances the College shall try during the continuance of the event to continue to provide educational services (including by providing appropriate educational services remotely).
- (c) Events lasting more than 6 months. If the College is wholly and completely prevented from performing all of its obligations as a result of an event (and is unable to provide educational services remotely) for a continuous period of more than six (6) months, the College shall notify you of the steps it plans to take to ensure performance of the Contract after such period and you shall then, following receipt of such notice, be entitled to end the Contract on written notice to the College and without giving a term's notice or paying fees in lieu of notice.
- (d) What happens if your child is affected by an event outside of your control. Subject to Clause 4(h), if your child is wholly and completely unable to participate in the provision of any education at the College or remotely due to reasons caused by an event you shall give the College notice in writing of such circumstances and the following provisions shall apply:

 - (ii) in circumstances where, following the efforts made and steps taken under (i) above, your child is not able to participate and benefit from any level of provision of education by the College (whether at the College or remotely) then you shall not be responsible for failing to perform your obligations (including the obligation to pay fees, pro-rated accordingly) during the continuance of the event; and
 - (iii) if the event continues to prevent your child from wholly and completely attending the College or being able to participate and benefit from any level of provision of education by the College (whether at the College or remotely) for a continuous period of more than six (6) months you shall discuss with the College a solution by which the Contract may be performed and, following such discussions, you or the College shall be entitled to cancel the Contract on written notice and without you being required to give a term's notice or to pay a term's fees in lieu of notice.

18. General

- (a) *Reserving the right to change the Contract.* We reserve the right to change or add to the Contract from time to time for legal, safety or other substantive reasons or in order to assist the proper delivery of education at the College.
